

## 6/167 Seventh Avenue Inglewood WA

1 1 1

Welcome to an apartment unlike any other!

Located in the very heart of bustling Inglewood, this is a super-stylish corner apartment with so much to offer.

The curved architecture of the apartment results in an abundance of light flooding into this bright, airy space. Yet despite being at the very heart of the action in Inglewood, this urban sanctuary still remains private, tranquil and extremely welcoming.

This stylish apartment really is at the very heart of everything Inglewood has to offer. Walk to the Inglewood Hotel, make the most of the super-popular Inglewood night markets, and enjoy the many cafés, restaurants and boutiques right on your doorstep! Plus, you're moments from Woolworths and Aldi and all the essentials! Public
